FORENINGEN FOR ARM- OG BENPROTESEBRUKERE

Invitation to Momentum **WEEKEND 2020** at Strømstad Spa & Resort 12-14, june

Momentum organizes this weekend each year for all our members, suppliers and amputee clinics. This year at Strømstad Spa and Resort 12-14. June. We gather here for socializing and fun activities.

What's new for the weekend in 2020 is that we try to make this a Scandinavian weekend, so we hope for a big turn out this year in cooperation with AmpisLiv in Sweden.

The Momentum weekend is a great meeting place for you as a company, and us as users to share experiences and have fun together, meet and get in touch with users of your products/services.

This year we have reserved a large meeting room so that there is room for many exhibitors, and the outdoor areas invite you to a variety of activities both on land and water if you wish.

We welcome you to attend and to be present, show news and other products to our members.

It's scheduled for a joint activity day on Saturday, we have also set aside time in the program for visits to the exhibitor's area Friday, Saturday and Sunday.

This year, we will challenge YOU to come up with suggestions for activities that you can contribute with, the program is currently open to any suggestions you have. If you want to bring some of your inspirational amputees, we appreciate this, maybe someone who can participate in activities, a small lecture, or just join in to inspire? After all, we know that many of you cooperate with, or sponsor people that our members could benefit greatly from meeting.

It would be nice we can get feedback if you have any wishes, and if you can contribute with something at the weekend in Strømstad.

We need your suggestions/input by March 23rd so that we can make the program as good as we possibly can.
