

**INVITATION TO  
MOMENTUM  
GATHERING  
KRISTIANSAND**

**MOMENTUM**

Momentum again invites clinics, suppliers and other companies to

# MOMENTUM GATHERING

This time at Scandic Sørlandet  
Kristiansand 30 May – 2 June 2024

**For companies, it starts Thursday afternoon with preparation of booths for exhibition Friday and Saturday.**

**Participants start with activities on Thursday before there will be a joint dinner and social gathering in the evening for everyone.**

The weekend is an important meeting place to exchange experiences and enjoy fellowship with old and new friends, regardless of whether you are a supplier, relative, amputee, orthotic user or dysmeister. You meet our members in a different setting than you normally do.

We want you to participate all weekend! Our members think it is important, and this is a unique opportunity for you to talk to those outside the regular meetings at clinics / workshops. We encourage you to invite everyone you know who could benefit from joining us on the weekend.

We hope to arrange a gathering for relatives, where they can talk together and exchange their experiences and challenges in it and live with someone with amputation, etc.

Transport?

Drive a car, take the bus, or the train to Kristiansand. If you come from far away, you can also fly to Kjevik, a 10-minute drive from the hotel.

There will also be 2 days of exhibition and lectures this year, Friday and parts of Saturday. The rest of Saturday is set aside for activities.

We hope to get as many of our clinics, suppliers, rehabilitation sites in the Nordic market as possible.

**If you want to participate with an activity, lecture or similar, please let us know as soon as possible.**

If you do, contact the comitee: [aktivitet@momentum.nu](mailto:aktivitet@momentum.nu)

**Price for company all weekend: 15.000,-**

**Price for company per day**
